Subject: Correction

This notice is intended to inform users of a correction made to CLSI document EP17-Ed2-IG, *Evaluation of Detection Capability Implementation Guide*, 1st ed. The correction is described below and shown as red text in the figure excerpt.

### Verification of Detection Limits:

A box in the process flow chart is listed incorrectly as “Number of results that are greater than LoD claim are counted.” The box in the process flow chart has been corrected to read “Number of results that are less than LoB claim are counted.”

If you require any additional clarification regarding these corrections, please contact CLSI Customer Service ([customerservice@clsi.org](mailto:customerservice@clsi.org)).

We appreciate your commitment to CLSI and regret any inconvenience.
